

11 JUNE, 2007

DEAR Mr SIGLER

PLEASE FIND OUR TALLY SHEETS ENCLOSED. AS MAY BE READILY DEDUCED, CATHY FLYNN, MY WIFE, HAS AGREED TO RECORD FOR ME. I HAVE ONLY ONE BRUISE FROM BEING ASLEEP AND GETTING KICKED. WE HAD A GREAT TIME DOING THIS FIRST STEP.

THE ONLY "OBSERVATION" (OPTICAL, THAT IS) INSIDE THE DESIGNATED AREA WAS THE WOOD THRUSH^{HE WAS SILENT!} AT HI-02. ALL THE REST WERE "BY EAR". THIS ISN'T AS EASY AS ONE MIGHT THINK!

I TRIED TO SEE SCARLET AND I REALLY TRIED TO SEE PROTHONATARY (WOULD BE A LIFER FOR CATHY!) BUT, ALAS, WE COULDN'T HANG AROUND. OH, WELL. I WANT TO FIND THE INDIGO WITHIN THE 10 MINUTES. AND WHERE ARE MY RED-HEADED WOODPECKERS? WE'LL JUST HAVE TO GO LOOKING AGAIN!

LET ME KNOW IF ANYTHING IS TOO SCRIBBLY OR DOESN'T MAKE SENSE.

THANKS. UNTIL NEXT TIME..

C & C Flynn
