Drive State Road to a residence at 2520 State Road, about 200 meters north of Ledge Road. Find the entrance to a bridle trail across the street from the mailbox of that residence. Walk east on the bridle path 100 meters to the “T.” Turn right and walk 100 meters south on the path. Stop when the path begins to turn to the right. Look to the right and find the flag in the treeline. Walk south up the hill about 50 meters to the point.
