On Bellus Road between State Road and Parker Road, find the road to the Top-of-the-Ledges Picnic Area.
Drive south to the parking lot.
Face west at the No Ground Fires without Permit sign and look across the field.
Walk to the left corner of the field at the woodline in a direction of 265 degrees (almost west) for 100 meters.
Enter the trail there and walk 50 meters to a tree with a blue blaze on it.
Turn right (north) and walk 75 meters to the point, which is near a tall red oak tree.
