Drive south (west) on Parkway past Strongsville Wildlife Area. Park on the right side of road by bridle trail. Do not block trail.

Cross road and follow bridle trail in northeasterly direction 100 meters. Find double trunk maple tree on left side of the trail. Walk 30 meters PAST it on the bridle trail.

Turn left into the woods (northwest direction) 50 meters to the first flag. Continue in a northwesterly direction to 2nd flag (approximately 25 meters). Dogleg to left 30 degrees and go another 25 meters to the point.
