Drive down State Road to a residence at 2520 State Road, about 200 meters north of Ledge Road. Find the entrance to a bridle trail across the street from the mailbox of that residence. Park at the entrance of the bridle path. Alternatively, park 2/10th of a mile north at the Brooklyn Exchange Cabin. Walk east on the bridle path 100 meters to the “T.” Turn right and walk about 100 meters south on the path. As the path is turning to the right, go 25 meters past a large stump on the right with a large hickory tree on the left. Look to the right and find a flag in the tree line at the side of the road. Walk north northwest (350 degrees) up the hill about 50 meters to the point.
