Park in the horse trailer parking lot on Hinckley Hills Drive. From the west end of the parking lot, move south on the trail 50 meters into the woods. Stop at the trail post marker. Follow the Bird Trail to the left (east) 225 meters, moving along a ridgeline downhill to a tree with a trail sign with a bird symbol nailed to it. Move 20 meters on a course of 142 degrees (south southeast) from that tree to the point.
