From the Bellus Road/State Road intersection, drive 0.2 mile east to the road for the Top-of-the-Ledges Picnic Area and drive south to the parking lot. Face west at the “No Ground Fires Without Permit” sign at the edge of the parking lot. Walk almost due west (heading: 265 degrees) for about 100 meters to the left corner of the field where a trail opens at the woodline.

Walk about 70 meters on that trail, passing a beech with carvings on it at about 50 meters, and stop at a tree with a blue blaze painted on it. Turn to the right and walk about 75 meters due north, following the flags to the point, which is near a tall red oak.
