Park at Buzzard Roost parking lot off West drive near the intersection of State Road and West Drive. Walk around the fence to the right. From the southwest corner post of the fence, walk 250 meters on a course of 229 degrees (southwest) across the field to the woodline. Look for a flag in the woodline. The wood line flag is about 50 meters east of a very large deadfall. Then walk 130 meters south to the point, following the flags.
