Park off Ledge Road in the horse trailer parking lot (an open field of grass) on the bridle trail just east of Worden Heritage Homestead. Walk north 200 meters on mowed trail. Turn left (west) at the flag in the woodline on the left side of the trail. Move into the woodline about 20 meters and cross over the barbed wire fence where you can safely do so. Continue moving due west an additional 30 meters to the point.
