

5/17/07

MS 15 - F20071

0433251

4571640

From MS 30, follow the trail south to a post.  
Stay on the trail as it turns to the right (west).  
Cross a creek at a culvert-style bridge.  
Walk northwest to an oil well in a clearing.  
Stay on the trail and walk past the oil well about 50 meters.  
Turn north off the trail and walk about 60 meters to the point.
