MS 30 - F20071

0433716

4571581

Return to the trail above MS03.

Walk south on the trail 500 meters. You will cross a footbridge about halfway. The trail goes uphill, then levels out. Stop there.

Look for a line of single ribbons pointing east on the left side of the trail.

Follow the trail of ribbons 50 meters to the point.
